About This Game

Before I tell you, what this game is about, I want to ask you, what you expect from a game called "Noodle Jump" and why you are reading this shop page...

Do you expect a fun game about jiggly Noodles jumping around and having fun? You might be right...
Do you want an action game, where you are under the constant pressure of challenging scenarios?! That might also be, what you will get...

Or do you just like Noodles and find out about new recipes for them? Well, who doesn't like Noodles?! Concerning Noodles this game for sure has a lot to teach you!

Now that you are hooked, let's get to the details. the game is a 3D platformer game with...

- challenging endbosses
- partially randomly generated levels
- a very interesting storyline with multiple endings
- character customization
- an intense soundtrack

-
- Noodle puns
 - and a lot more things to explore!

I will see you in the world of Noodle Jump, where you will explore the path of being a Noodle... Pasta Lavista, my friend!

The game is also playable with an Xbox-Controller (or a similar Controller using XInput). Only for the menus you will need mouse and keyboard Input!
